

VISION

2020

DIGITAL UBIQUITY & UNIVERSITY TRANSFORMATION

2008 Higher Education Leadership Summit

August 6th-8th

University of Cincinnati
College of Design, Architecture,
Art & Planning

The exponential growth in digital technologies is challenging the status quo of the university mission. The **Vision2020** conference offers an opportunity for leaders in the field to share their experiences and help navigate the uncharted waters of what it means to be a digital campus.

"Vision trumps everything. Organizations are most effective when a well-articulated and ambitious vision of the future exists."

-Nancy Zimpher president of UC
